SUBMIT NOMINATION BEFORE 1 NOVEMBER 2025

IPPS Australia and IPPS Southern Africa have an established exchange program. As of January 2025 IPPS SOUTHERN AFRICA and IPPS New Zealand have entered into a similar exchange program agreement! The intention is to offer young horticulturists at the start of their career, an opportunity to gain experience of a different plant production industry, and to build a better understanding of the host country.

The chosen candidates will visit their allocated host country, Australia/New Zealand, for a period of about two weeks. Australia during April/May 2026, and New Zealand during October/November, where they will be hosted by the local nursery industry. They will attend the host Regions annual conference or a symposium and may be required to work in nurseries, as well as visiting gardens and other places of horticultural interest.

The Southern Africa Board will **select and sponsor four top candidates** from the nominations received to attend the **IPPS SA Conference** to be held Cape Town, March 2025.
